

NEW CATALOGUE FROM OCEAN SAFETY

Ocean Safety has just launched their new-look 48-page Leisure Catalogue. With clear images and concise descriptions, this catalogue makes viewing the range of life saving appliances and marine safety equipment considerably easier. The product ranges incorporate tables with technical specifications providing easy product selection.

Featured in the catalogue is the complete range of lifejackets, together with accessories such as lights and rearming packs, along with the well known Jonbuoy inflatable safety products. New products to Ocean Safety, such as Kannad epiribs and plbs are now included, and Ocean Safety's boat safety packs now incorporate starter packs for both the coastal or occasional user.

Location maps for the three Ocean Safety outlets in Southampton, Plymouth and Glasgow, along with contact details are on the back cover and anyone wanting a catalogue or further information on servicing and training courses can find out more information by visiting the website at <http://www.oceansafety.com>
