

PRESS RELEASE

RYA COURSES FROM MARINA PREKO IN CROATIA

Training courses from the RYA approved syllabus with fully qualified instructors can now be taken based from Marina Preko in Croatia, right in the middle of the stunningly beautiful Dalmatian coastline. Some of the best sailing in the world can be found in these waters, and these courses provide all levels of tuition from a beginner's introduction to sailing through to Coastal Skipper. Students can even take the complete Yachtmaster Offshore by prior arrangement.

Courses are held in association with the Adriatic Nautical Academy and can be tailored to suit an individual group or family. The Principal, Captain Tiho Trnovski is happy to arrange own boat tuition for those wanting familiarisation with their own vessel or those wishing to build up logbook hours to finalise their qualifications.

Marina Preko is the ideal destination for an RYA approved course, whether flying into Zadar to pick up a bareboat charter or cruising in your own boat.

The instructors speak fluent English, German and Italian and further information can be found at <http://www.anasailing.com>

More information on Marina Preko and the beautiful sailing area can be found at: <http://www.marinapreko.com>

Course information can be obtained from Sonja Vicevic on email: info@anasailing.com

RYA Training Courses are recognised worldwide and further information can be found at <http://www.ryatraining.org>
